COMEDY AT THE
NEVADA THEATRE
THURSDAY EVE.

PYTHIAN SISTERS WILL PRE-
SENT AMATEUR PRODUCTION
TO THEATER GOERS

"Tompkins Hired Man" is the title of a drama to be produced at the Nevada theatre Thursday evening by members of Argenta Temple No. 12, Pythian Sisters. The amateur actors and actresses have been rehearsing steadily for the last month and are now better perfect in their lines. The production contains an over abundance of comedy and those who have enjoyed the privilege of witnessing the rehearsals state that the talent as presented is such that would be creditable for professionals.

It is possible that the amateur company will also present the play at Goldfield.

Believes This Will
"Cure Lung Troubles"

Consumption is a flustering disease—that is one of its chief dangers. Those who have it are rarely willing to acknowledge the fact. If this trouble is present, it is no time for trifling. If a so-called "cure" has long resisted, if a cough is present that keeps you anxious, or any of the symptoms are present, such as fever or night sweats, weakness and loss of appetite, and perhaps some racking of nerves—the sensible thing—take Eckman's Alternative—as Mr. Bettersworth did.

Bowling Green, Ky. R. No. 1.
Gentlemen: I wish to say to your Alternative that I believe it to be a medicine of unequalled value for all Bronchial and Lung trouble. The spring of 1908, I had a severe cough for six months. I tried all the medicine that my doctors recommended to me, but no results came for the better. I had night sweats, and would cough and spit until I got so weak I could hardly do anything. That at last, James Bettersworth, of Glasgow, Junction, insisted that I try your medicine. In one week's time, there was quite an improvement in my condition, and after I had taken several bottles, I felt as well as a new man in my life.

I desire the world to know that I firmly believe that your Eckman's Alternative will cure any case of lung trouble if taken before the last stage. I will gladly write personally to any party wanting information in regard to your wonderful medicine.

(Signed affidavit)
A. C. BETTERS WORTH
Eckman's Alternative is effective in Bronchitis, Asthma, Hay Fever, Whooping Cough, and in upbuilding the system. Does not contain poisonous, opiates or habit-forming drugs. For sale by all druggists. Ask for booklet setting out references, and write to Eckman Laboratories, Philadelphia, Pa., for additional evidence.

WILL STOP RACES

BALTIMORE, Sept. 23. — Legal measures to stop racing at Havre de Grace were authorized by Governor Goldsborough today. The governor has been informed by his law officers that the Harford county racing commission, which controls the Havre de Grace meeting, has never qualified under the law and that, therefore, all the racing that has been conducted there has been in violation of the law.

STAGG IS ELECTED

CHICAGO, Sept. 23. — Coach A. A. Stagg of the University of Chicago was elected over the outlook for the football season at the close of the first day's practice yesterday. He declared it was the most promising looking squad that had reported for initial practice since the fall of 1905.

Is A "Regular Customer"
Worth to Your Store?

Suppose you could BUY 100 additional REGULAR CUSTOMERS during the next week or two—customers who, for years and years to come, would make a MAJORITY of their purchases of goods in your line at YOUR STORE?

What would each of these 100 customers be WORTH to you?

It is, we think, quite likely that if such an investment were possible, you'd eagerly pay TWICE AS MUCH as it would cost you to secure these 100 REGULAR CUSTOMERS through an advertising campaign big enough and aggressive enough to really make people ACQUAINTED with your store!
